Gold Saturn T-shirts

Uh-oh, Mercury's going retro. Time to instill that delicate balance in your life. If you find yourself drawn to creative types, go with it.

Especially if it's a Gold Saturn T-shirt. The brainchild of a Miami art student, the badass tops are as cute as they are clever.

You can't help but make a statement in Prescription for Peace, a colorful bunch of pills arranged in the shape of a peace sign. Embrace your inner child with Get High on Love, featuring a pink unicorn and hearts. Or prove you're out of this world in Astrology Map.

On top of their uplifting messages, the tees are all priced at less than \$40 apiece, which is most appreciated in this crummy economy.

You'll come away with a sense of satisfaction in doing what is right today.

Available online at goldsaturn.com.
