Everyone's always preaching: Make love not war, but I love that [Gold Saturn](#) is saying, Make Clothes Not War! It shows designer David Jon Acosta's dedication for his craft. Not only is the slogan cheeky, so are his designs. And they're inexpensive! Other than the [Make Clothes Not War Tunic](#) (\$35), there is a [Prescription for Peace Tank](#) (\$35) and a [Peace Hand Abstraction Deep V-Neck](#) (\$38). This way you can preach peace and look stylish while doing it.
