PETER DAVIS' STATUS UPDATE: PILLS FOR PEACE

BY PETER DAVIS

PETER  DAVIS' STATUS UPDATE

I love pills. Xanaxes are such little cuties! And how sweet are those Lunesta psychedelic, electric blue butterflies on TV? Ambien and chocolate on an overnight plane ride? Yummers! I won't allow myself a Doctor Feelgood because, obvi, I'd become Edie Sedgwick in 15 minutes. But this T-shirt says it all. **Pills = Peace**. It's designed by **Gold Saturn** -- cute Miami art student **David Jon Acosta's** T-shirt label. Go buy one now at: <http://www.goldsaturn.com>.
